To whom it may concern,

The Fraser Valley Regional District Parks function has been associated with Wishbone Industries for several years. Parks staff have approved the picnic tables and public benches as the standard for all of our Regional and Community Parks

The benefit of Wishbone's product is that it is highly durable and easy to maintain. We have been receiving many positive comments about the tables and benches from other government agencies as well as park visitors. I would highly recommend Wishbone Industries and their product for any park or public application.

If you would like to discuss this matter further or would like to talk with me directly, please do not hesitate to call me at (604)702-5077 or e-mail at dwilson@fvrd.bc.ca.

Yours truly
