Custom Branding of Seat and Table Sections

INST- 2.75 Stainless Steel Wedge Anchor Bolt Down Kit

DESIGNER NOTES

Ideal for high-traffic seating areas in parks, campuses, urban settings and more, the Urban Space Picnic table is designed to encourage face to face interaction. This modern, all aluminum design has several key benefits. Spacious seating and rounded corners throughout make it both comfortable and accessible providing seating up to as many as 8 people. The top surfaces are "perforated" with an attractive pattern to reduce the temperature of the metal in direct sunlight by decreasing surface area and increasing airflow. This feature also discourages graffiti. The pedestal and cantilevered seat design makes it easily convertible to wheel chair accessibility by omitting one of the seat sections. There are intentional blank sections on the table top and seat sections that be used for customization purposes. During the manufacturing process we can C&C router logo's or inscriptions for branding or dedication purposes. From a maintenance perspective the powder-coated aluminum is simple to upkeep and seat sections can be removed easily if needed.

PRODUCT DIMENSIONS

Table Height	30 inches / 762mm
Table Top	40 inches round / 1010mm
Seat Height	18 inches / 457mm
Seat Depth	12 inches / 305mm
Seat Length	37.5 inches / 953mm
Total Outside Diameter	70 inches / 1790mm
Weight	125lbs / 57kg
