

BAYVIEW PICNIC TABLE

Model Number : BVPT-6 (Reg) BVPTWC-6, BVPTWC-8 (Wheelchair Accessible)

Wheelchair Accessible

DESIGNER NOTES

Aesthetically pleasing and extremely functional, the Bayview Picnic Table was designed to match our popular Bayview Park Bench. With this model the goal was to address the shortcomings of traditional picnic tables such as accessibility, comfort, and seat depth. To increase accessibility the feet and structural elements are angled away from the user meaning less bumped knees and awkward entries. Bull-nosed boards on the table top and seat soften the edges and even allow a person to comfortably lean against the table edge as a backrest. The Bayview Picnic Table also has a significantly wider seat depth to accommodate a variety of patrons. Wheelchair accessible through either a table top extension or by custom building it as a one-sided picnic table (no bench on one side). This design has all the low maintenance features inherent to our products: powder coated aluminum frame, 100% recycled plastic slats, and stainless steel fasteners.

AVAILABLE RECYCLED PLASTIC LUMBER COLOURS

PRODUCT SPECIFICATIONS

Products Re-Plast Avantage +™ Recycled Plastic Slats

This product will not rot, splinter, or warp reducing maintenance costs over the life of the product.
