

Beselt Aluminum Chair

Model Number

BAL-2 (2 ft)

The Wishbone Beselt 2 ft Aluminum Chair is the ultimate seating solution for demanding environments. Built for durability, its robust design features marine-grade aluminum, ensuring years of maintenance-free use, no matter the conditions. Crafted with precision in British Columbia, this chair boasts a cast aluminum frame renowned for its sturdiness and strength. Perfect for both indoor and outdoor settings, the Beselt chair is versatile and adaptable. Its thoughtful design allows it to be used as a free-standing unit or securely bolted down for added stability in public or high-traffic spaces. The comfortable seating surface is crafted for long-lasting enjoyment and ease of use.

The chair can be shipped fully assembled for immediate use or flat-packed to reduce shipping costs, making it an excellent choice for remote or hard-to-reach locations.

Whether for a park, patio, or commercial environment, the Wishbone Beselt 2 ft Aluminum Chair is a reliable, stylish, and low-maintenance seating option built to withstand the test of time.
