DESIGNER NOTES

The Pedestal Bistro Table is a versatile 2-seat, outdoor table with a very small footprint. Its powder-coated aluminum frame is light, robust, and is easy to clean and maintain. The top surfaces are “perforated” with an attractive pattern to reduce the temperature of the metal in direct sunlight by decreasing surface area and increasing airflow. To dress the product up and add some customization, the table top design can be customized with a logo.

Similar to many of our other site furnishings, the Pedestal Bistro Table was created in response to a specific client conundrum. Municipalities, businesses, restaurants, and coffee shops sometimes struggle with little-to-no footprint for outdoor seating. During the warm months of the year many owners want to take advantage of their business’ excellent location. This often leads to undersized, mismatched or temporary furnishings that detract curb appeal of a business or streetscape. This product takes away the hassle and looks great all year round.

100% Canadian Made

Wishbone Ltd. provides an extended 10 year limited warranty from the date of invoice.
