DESIGNER NOTES

Climb on board and say 'ahoy' to a fun and unique NEW product from Wishbone-The Rowboat Sandbox/Raised Planter. Measuring just over 9 ft long and 3.5 ft wide, this versatile piece can be an imaginative sandbox for swashbuckling kids at a playground or daycare, or a raised planter box in a park or community garden. At just under 12" high, the eye-catching rowboat is safe for kids of all ages to climb in and set sail. With plastic lumber there is no need to worry about rot or splinters, making it ideal for play without the hassles of maintenance. The open bottom allows for water to drain easily. With four different colour combinations, this pre-assembled boat will add a bit of whimsy to a coastal setting and bring a maritime feel to any landlocked site. Good things come to those who bait! We feel we've hooked a good one with this design!
