

# SINGLE PED PICNIC TABLE

Model Number : SPPTG-40 (Galvanized)

SPPTGP-40 (Galvanized and Powder Coated)

## DESIGNER NOTES

The single pedestal table is one of our tried-and-true designs going back to the inception of Wishbone. All of the tables we have supplied in the last 15 years are still in use and continue to perform beyond our customers' expectations. This is in part due to the heavy-duty steel frame, and low-maintenance recycled plastic lumber. To ensure the tables lifespans are lengthened even further, we are now galvanizing the steel frames prior to powder coating ensuring maximum rust resistance. This table continues to be popular year after year for many reasons. The single pedestal picnic table has a significantly smaller footprint compared to a standard picnic table, works great as a game table where everyone is engaged and comes with a few options such as direct burial or surface mount. It can be wheelchair accessible by omitting one of the seats (see Installation Gallery).
