

# TURISNO 2 SPACE BIKE RACK

Model Number : TOBRG-38 (Galvanized)

TOBRGP-38 (Galvanized and Powder Coated)

## DESIGNER NOTES

Like the Turisno park bench and waste receptacle, the Turisno bike rack blends form and function. The innovative "V" design allows bicycles to be locked at different heights and angles depending on the user's preference. The plastic lumber slats on either side of the center span prevent damage to both the rack and the bicycle frame.
