DESIGNER NOTES

The West Coast 2 space bike rack design is intentional in blending functionality, form and finish and the perfect product for customers looking to maximize the user experience when being used and occupying a minimal footprint when it's not. Its functional in that it gives the user multiple locking points to secure a bike and provides a protruding recycled plastic bumpers to minimize scratches when in contacting it with the frame of the bike. Its form is very minimalist and when not in use provides an aesthetic compliment to its surrounding. The Super Durable powder coated finish on an aluminum frame ensures it keeps looking great year after year.
