

# West Coast Planter

Model Number

WCPL-22

Over the years we have been encouraged by our customers to stretch our imagination when it comes to product design. The West Coast planter we believe is a step in that direction when it comes to planter design. Here are a few things we looked at when producing the design.

**Aesthetics.** The tapered look with the right visual mix of aluminum and recycled plastic materials combined with the hundreds of colour combinations available, give this planter has a unique ability to conform to any environment or setting its placed in.

**Customization.** The planter can be made any length up to 6 ft and allows for custom branding on each of the ends.

**Functionality.** Optional leveling feet help to ensure the planter is level even when the surface it's on may not be. Often overlooked in design are considerations regarding the handling of the products in the field. In some situations, the planters need to be moved in the winter months and the pocket in the base on the Forklift Pocket version allow for easy removal and transport.

## Material Specifications

Marine Grade Aluminum Frame  
Stainless Steel Hardware  
Super Durable Powder Coating  
100% Recycled Plastic Slats  
Western Red Cedar  
Accoya Modified Pine  
Hardened Bamboo

## Recycled Content

Recycled Content by Weight: 48%  
100% Recyclable

## Customized Solutions

Custom Powder Coating  
Multiple Colour Applications on the Ends (Setup Charges May Apply)  
All Aluminum Version With-out the Recycled Plastic Slats  
Levelers  
C&C Branding Options on the Ends  
Custom Lengths up to 6ft

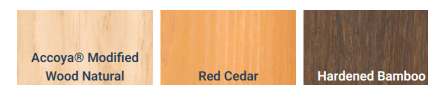

## Product Dimensions

Height: 24.5 inches / 62 cm  
Depth: 23 inches / 59 cm  
Length: 24.5 inches / 63 cm  
Weight: 104 lbs / 47.5 kg  
Soil Capacity: 3.9 Cubic Feet / 110 L

## 100% Recycled Plastic Lumber Colours

## Unstained Natural Wood Alternatives

## OVER 30 POWDER COATING COLOURS

\*Premium powder colours incur a surcharge per item
