

WHY WISHBONE FOR CARE HOMES?

DESIGN / STYLE

Our variety of attractive and customizable styles are designed to complement and enhance their environment.

FUNCTIONS / FEATURES

Our products have various intentional characteristics that improve usability and set them apart from traditional designs.

RECYCLED CONTENT

Our design goals are achieved by maximizing recycled content and ensuring the end products are also recyclable.

DURABILITY

Our materials are carefully selected and utilized in specific designs to ensure resilience in a wide variety of environments.

LOW MAINTENANCE

Our products continue to look great and function like new for many years with minimal regular maintenance.

MEMORIAL BENCHES AND CHAIRS

Elevate your care home experience with site furnishings manufactured by Wishbone in British Columbia. Our durable, comfortable, and easy-to-clean products are designed to enhance both resident satisfaction and operational efficiency.

WHEELCHAIR ACCESSIBLE PLANTERS

“Over 16 years, Elim Village in Surrey, BC has purchased 40+ Wishbone benches. Our residents enjoy the comfort and aesthetics, while our maintenance team praises the durability and low upkeep.”

KRIS VERSLUIS
ELIM VILLAGE FACILITIES MANAGER

WASTE RECEPTACLES
